Comprehensive Programming Knowledge
Secunderābād, Telangana, India

Summary

Hi there! I'm Abhijeeth Parimalla, a tech enthusiast diving deep into the realms of Artificial Intelligence and Machine Learning. Currently, I'm pursuing a Bachelor of Technology in CSE (AIML) at Vardhaman College of Engineering. Throughout my academic journey, I've been committed to pushing the boundaries of my knowledge and skills.

My coursework has centered around mastering various programming languages like Python, Java, and C++. Applying theoretical concepts to practical projects has allowed me to build a strong foundation in algorithms, data structures, and problem-solving techniques. Collaboration is key, and I've thrived in team settings, contributing to the design and implementation of complex software systems.

Staying ahead in this fast-evolving field means continuously learning. I've actively participated in workshops and seminars to keep abreast of the latest trends and advancements in technology. My independent studies often lead me to additional resources like online courses and tutorials, which help me deepen my understanding of AI and ML concepts.

Known for my self-motivation and initiative, I'm consistently recognized on the Dean's List for outstanding academic performance. Communicating complex ideas effectively is another strength of mine; whether through presentations or technical reports, I ensure clarity and comprehension for varied audiences.

What sets me apart is my relentless pursuit of knowledge and my ability to apply it in practical scenarios. I'm always on the lookout for new challenges and opportunities to learn and grow, seeking to make a meaningful impact in the tech world.

Let's connect! I'm eager to discuss potential collaborations or to simply share insights on the latest in AI and ML.

Education

Vardhaman College of Engineering (VCEH)
Bachelor of Technology, CSE(AIML) · (2022 - 2026)

Government junior college, Warangal
Intermediate, MPC · (August 2020 - May 2022)

Pragathi High School
Secondary Education · (April 2020)
